### The Lillie Pad - Team Werks New Business

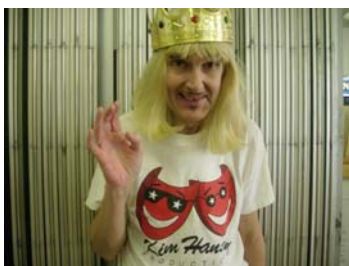

Located at the Sister Margaret Smith Centre, the Lillie Pad is a Team Werks partnership with IYS (Integrated Youth Services), YES Employment Services and the Lakehead and Catholic School Boards. An extension of the Good Times Café, the Lillie Pad serves hot and cold beverages and snacks and is open 9—3 on Mondays, Tuesdays, Thursdays and Fridays.

### Good Times in the Good Times Cafe

Congratulations to Kim in the Good Times Café who recently was promoted to Lead Hand. I interviewed Kim and this is what he had to say: “What a great place to work! You work hard and are appreciated, and they pay you for it. Who could ask for more!” Kim is a Virgo who is also an artist and actor who likes sunny days, but dislikes sports, pizza and coffee.

## Meet the Team

I had the opportunity to have a talk with Linda who works in a lot of different areas in Team Werks. Linda has been with us for 6 years and has worked in Piece Werks, Recycle Werks and Scan Werks. I also talked to Rob. He had this to say: “I love it! My coworkers are good and dedicated and we listen to good music. I have made good friends, that are good people. I am also a peer support specialist, so if anyone would like to talk to me we can make an appointment on the first floor at the Peer Council office.” (Picture of Rob and Linda in Scan Werks)

## New Teammates

Welcome to Kevin Brown in Scanwerks, Karen Smith in the Good Times Café, Donald Giardin in Woodwerks and also a great big thank you to all of the dedicated people involved with the Greenwerks Garden!
